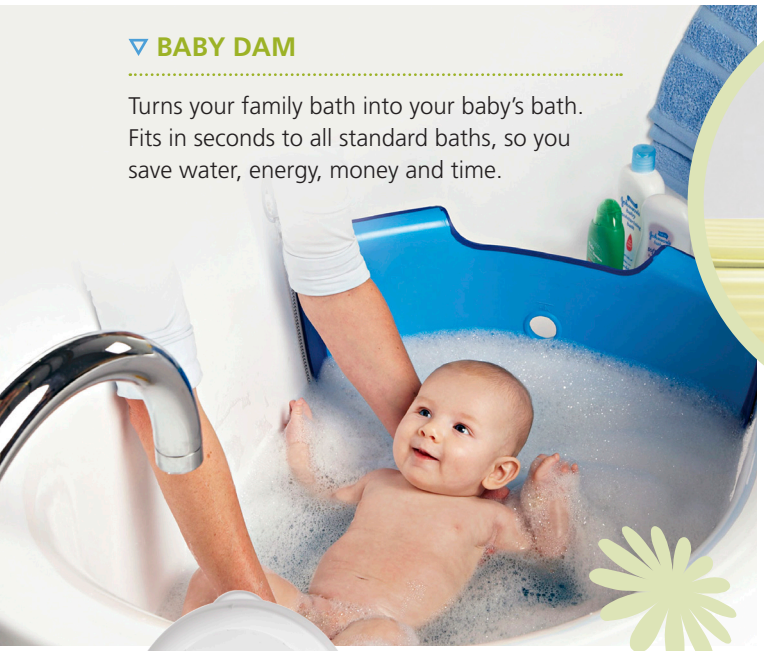
Bathing made easy

Goldbug makes bathing a breeze with these practical and eco-friendly products.

▽ BABY DAM

Turns your family bath into your baby's bath. Fits in seconds to all standard baths, so you save water, energy, money and time.



▽ GOLDBUG HOODED TOWEL & MITT SET

Made from double layer printed soft terry cotton, these hooded towels are perfect for snuggling your little baby after bath time.

△ BABYSMART COOSHEE TUB GUARDS

Practical support that adds softness and comfort to bath time. Cooshee Tub Guards protect your knees and elbows while you are giving your child a bath. With the knee guard that sits snug against the base of the bath tub, it allows you to enjoy bath time with your child. Waterproof and easy to clean.

△ GOLDBUG POTTY SEAT AND STEP STOOL

The 2-in-1 Potty Seat and Step Stool is a versatile product which will help you make potty training easier for your little one.

◁ JACKSON REECE BABY WIPES

Jackson Reece Herbal Wipes offer parents a natural, healthier alternative. The unique herbal formula soothes and protects against common skin irritations such as nappy rash and eczema and contains none of the harsh ingredients that can potentially damage delicate skin.

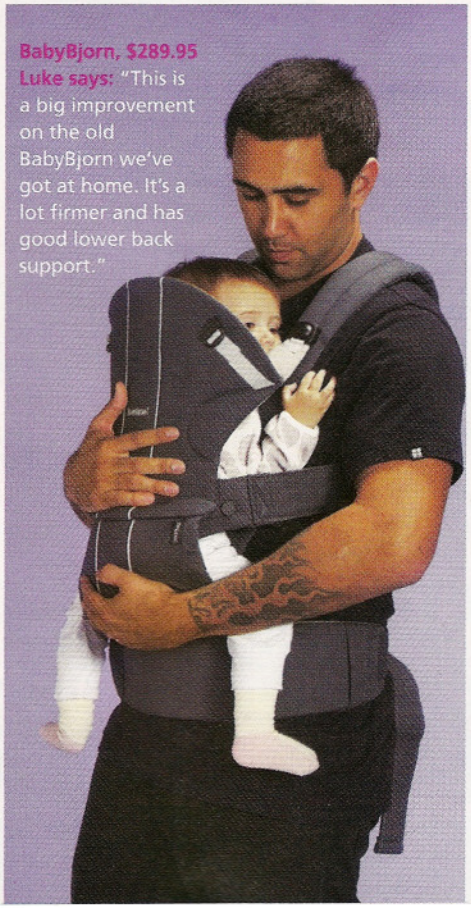
Keep bub close with these great carriers and slings. *M&B* readers Luke and Bethany Cullen with their daughter Evie, 1, put these 10 to the test

CARRIE

Goldbug Comfort Support Carrier, $209.95
Bethany says: "It fits like a vest and I like the overall head support and guard for Evie."

Minimonkey sling, $79.95 or $99.95 for organic cotton
Luke says: "Good and secure thanks to its stiffened edges. It comes in great colours and you can use it as a baby hammock."

Ergo baby Carrier, $159
Bethany says: "A winner for me. The canopy makes it handy for breastfeeding Evie in public."



BabyBjorn, $289.95
Luke says: "This is a big improvement on the old BabyBjorn we've got at home. It's a lot firmer and has good lower back support."

Organic Nature Baby Sling, $75
Bethany says: "This one was very roomy and the release clip let me put Evie down without disturbing her. And it's made of organic cotton, which is nice and soft."
