

Extreme comfort for both parents and baby

# Travel Easy

Travelling with children can be fun. These five innovative products will keep your child safe, comfortable and entertained for the duration of your journey - and beyond!

## 2 in 1 Harness Buddy

The 2 in 1 Harness Buddy is popular with kids and is reassuring to mums, keeping their little ones closed and safe. Doubles as a harness buddy and backpack.

Perfect for busy little people on the go!

## Comfort Support Carrier

Parents appreciate the extreme comfort of the unique, adjustable back support featuring wide, contoured and elasticized panels. It also helps support and distribute baby's weight evenly. Extra safety features include leg straps for smaller babies and double-release buckles for the baby pouch.

## Artist Backpack Harness

This roomy backpack harness has everything your budding artist needs to stay safe and happy on the go! A detachable tether strap, large dry erase board with two washable non-toxic markers and lots of storage space. Available in Blue & Pink.
